DENIAL OF MODIFICATION OF BOARD ORDER

The Board issued a Final Order on October 4, 2007 in which the licensee was granted a suspended license. The suspension was lifted on March 7, 2008 and his practice was limited to practicing dentistry at GraceMed Health Clinic in Wichita, Kansas until further order of the Board. Based upon the fact that Dr. Jenkins has worked at GraceMed for only nine months, the request for modification of the order is denied.

ENTERED AND EFFECTIVE this 7th day of November, 2008.
