SUMMARY ORDER – Immediate Suspension and Probation CASE# 11-74

Dear Dr. Aves-Broyles:

The Investigative Member of the Kansas Dental Board received information on June 27, 2011 regarding the April 1, 2011 disciplinary Settlement Agreement Between the Missouri Dental Board and yourself (Attached and incorporated within). The disciplinary agreement is a suspension of your dental license in Missouri for 8 months, followed by a 5 year probation. During the suspension you must successfully complete a competency program described in the agreement. This suspension and probation order of discipline is based upon the following:

FINDINGS OF FACT

1. Licensee has held an active dental license, #7000, since May 5, 1996.
2. The licensee signed a Settlement Agreement between herself and the Missouri Dental board effective April 1, 2011. The Missouri Dental Board Agreement is a discipline and is attached and incorporated within this Summary Order.
3. The order in Missouri is based upon multiple violations of the Missouri Dental Practices act, the violations are summarized here as multiple incidents of the following: 1) obtaining fee by fraud, deception or misrepresentation; 2) incompetency, misconduct, gross negligence or dishonesty in performance of functions or duties of profession; 3) assisting or enabling any person to violate rule or regulation; 4) assisting or enabling any person to practice by lack of supervision or in any other manner any profession licensed; and 5) violation of any professional trust or confidence.
4. As part of the Missouri discipline the licensee was ordered to suspend all dental practice in Missouri for 8 months, beginning April 1, 2011. During the 8 months of suspension Dr. Aves-Broyles is to successfully complete a competency program required by the Missouri Dental Board, and is to take the Missouri jurisprudence examination.
5. After the requirements are met for the suspension, the licensee is on probation for 5 years in Missouri.
6. K.S.A. 77-537 of the Kansas Administrative Procedure Act authorizes the use of summary proceedings.
7. The Missouri Agreement of April 1, 2011(attached and included within) is the basis for suspending and probating the licensee's dental practice in Kansas.

CONCLUSIONS

8. The dental license of the licensee is suspended. Licensee must cease practice upon receipt of this order.

9. The Kansas dental license will remain suspended until further order of the Board. The license will be returned to active when the board receives notification from the Missouri Dental Board that the licensee is able to practice in Missouri.

10. The Kansas dental board will put the license on probation for five years in order to recognize the Missouri order.

**SETTLEMENT AGREEMENT BETWEEN
MISSOURI DENTAL BOARD AND IRENE AVES BROYLES, D.D.S.**

Come now Irene Aves Broyles, D.D.S. ("Licensee") and the Missouri Dental Board ("Board") and enter into this Settlement Agreement for the purpose of resolving the question of whether Licensee's license as a dentist will be subject to discipline.

Pursuant to the terms of § 536.060, RSMo 2000, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri ("AHC") regarding cause to discipline the Licensee's license, and, additionally, the right to a disciplinary hearing before the Board under § 621.110, RSMo 2000.

Licensee acknowledges that she understands the various rights and privileges afforded her by law, including the right to a hearing of the charges against her; the right to appear and be represented by legal counsel; the right to have all charges against her proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against her; the right to present evidence on her own behalf at the hearing; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against her and, subsequently, the right to a disciplinary hearing before the Board at which time she may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against her license. Being aware of these rights provided her by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document, as they pertain to her.

Licensee acknowledges that she has received a copy of the investigative report and other documents relied upon by the Board in determining there was cause to discipline her

[Faint, illegible text, possibly a signature or stamp]

license, along with citations to law and/or regulations the Board believes was violated.

The Board acknowledges that this Settlement Agreement applies to all complaints in the possession of the Board as to Licensee at the time of the execution of this Settlement Agreement. The Board agrees that no additional discipline will be issued against Licensee for complaints in the possession of the Board at the time of the Execution of this Settlement Agreement or arising prior to the Execution of this Settlement Agreement.

For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Board that Licensee's license, numbered 015460, is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621 and Chapter 332, RSMo.

- B. Licensee shall submit reports to the Missouri Dental Board, P.O. - F. If at any time during the disciplinary period, Licensee ceases to be currently licensed under the provisions of Chapter 332, or fails to advise the Board of her current place of business and residence, the time of her unlicensed status or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed in accordance with § 332.321.9, RSMo.
- G. During the disciplinary period, Licensee shall accept and comply with unannounced visits from the Board's representatives to monitor her compliance with the terms and conditions of this Settlement Agreement.
- H. If Licensee fails to comply with the terms of this Settlement Agreement, in any respect, the Board may impose such additional or other discipline that it deems appropriate, including revocation.

III. ADDITIONAL REQUIREMENTS

- D. The parties to this Agreement understand that the Missouri Dental Board will maintain this Agreement as an open record of the Board as provided in Chapters 324, 332, 610, RSMo.
- E. Upon the expiration of said discipline, Licensee's license to practice dentistry in Missouri shall be fully restored if all other requirements of law have been satisfied; provided however, that in the event the Board determines that the Licensee has violated any term or condition of this Settlement Agreement, the Board may, in its discretion, after an evidentiary hearing, vacate and set aside the discipline imposed herein and may suspend, revoke or otherwise lawfully discipline the Licensee.
- F. No order shall be entered by the Board pursuant to the preceding paragraph of this Settlement Agreement without notice and an opportunity for hearing before the Board in accordance with the provisions of Chapter 536, RSMo.
- G. If the Board determines that Licensee has violated a term or condition of this Settlement Agreement, which violation would also be actionable in a proceeding

before the Administrative Hearing Commission or the circuit court, the Board may elect to pursue any lawful remedies or procedures afforded it and is not bound by this Settlement Agreement in its determination of appropriate legal actions concerning that violation. If any alleged violation of this Settlement Agreement occurred during the Disciplinary Period, the Board may choose to conduct a hearing before it either during the Disciplinary Period, or as soon thereafter as a hearing can be held to determine whether a violation occurred and, if so, it may impose further discipline. The Board retains jurisdiction to hold a hearing to determine if a violation of this Settlement Agreement has occurred.

- H. The terms of this Settlement Agreement are contractual, legally enforceable, and binding, not merely recital. Except as otherwise provided herein, neither this settlement agreement nor any of its provisions may be changed, waived, discharged, or terminated, except by an instrument in writing signed by the party against whom the enforcement of the change, waiver, discharge, or termination is sought.
- I. Licensee, together with her heirs and assigns, and her attorneys, do hereby waive, release, acquit and forever discharge the Board, its respective members and any of its employees, agents, or attorneys, including any former Board members, employees, agents, and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses, and compensation, including, but not limited to, any claims for attorney's fees and expenses, including any claims pursuant to § 536.087, RSMo, or any claim arising under 42 U.S.C. §1983, which may be based upon, arise out of, or relate to any of the matters raised in this case, its settlement,

or from the negotiation or execution of this settlement agreement. The parties acknowledge that this paragraph is severable from the remaining portions of this settlement agreement in that it survives in perpetuity even in the event that any court of law deems this settlement agreement or any portion thereof to be void or unenforceable.

- J. Licensee understands that she may, either at the time the Settlement Agreement is signed by all parties, or within fifteen (15) days thereafter, submit the Agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties constitute grounds for disciplining Licensee's license. If Licensee desires the Administrative Hearing Commission to review this Agreement, Licensee may submit her request to: **Administrative Hearing Commission, Truman State Office Building, Room 640, 301 W. High Street, P. O. Box 1557, Jefferson City, Missouri 65101.**
- K. If Licensee requests review, this Settlement Agreement shall become effective on the date the Administrative Hearing Commission issues its order finding that the Settlement Agreement sets forth cause for disciplining Licensee's license. If Licensee does not request review by the Administrative Hearing Commission, the Settlement Agreement goes into effect fifteen (15) days after the document is signed by the Executive Director of the Board.
