KANSAS DENTAL BOARD

**ORDER OF COMPLETION**

The Kansas Dental Board (“Board”) issued a Stipulation and Consent Order on November 8, 2013 (“Consent Order”). Under the Consent Order, Roger Nolte, D.D.S. (“Respondent”) was required to pay an administrative fine of Five Thousand Dollars (\$5,000.00) within twelve (12) months of the effective date of the Consent Order and complete a minimum of eight (8) hours of continuing dental education in endodontics within six (6) months of the effective date of the Consent Order. The Respondent’s dental license was also limited such as he was prohibited from performing any further endodontic treatment until the Board had been advised he had successfully completed the endodontic continuing education. The Respondent timely paid the administrative fine. The Respondent completed the eight (8) hours of continuing dental education in endodontics. Accordingly, the Respondent’s license to practice dentistry in the State of Kansas has been restored to active status with no restrictions and Case Nos. 13-27 and 13-39 have been closed.
