Case No. 07-119

DENIAL OF MODIFICATION OF BOARD ORDER

On May 6, 2011 the board heard a request for a modification of the latest Order for Dr. Louden. The latest Order was a Stipulation and Consent Order on May 9, 2008 in which the licensee has a limitation on his license prohibiting him from prescribing or dispensing any controlled substance until further order of the board. He must also successfully complete the Impaired Provider Program.

The Respondent was not present. In a letter, Dr Louden requested that he be allowed to prescribe and dispense any controlled substance.

After hearing the evidence, the Board made the following findings and conclusions:

1. The licensee has not yet completed the Impaired Provider Program.

The Board concludes that Dr. Louden's request should be denied.

Within fifteen (15) days after service of this Modification Order, either party may file a petition for reconsideration pursuant to K.S.A. 77-529.

Within the time limits established in K.S.A. 77-613, either party may seek judicial review of this Order, pursuant to said statute. The agency officer designated to receive service of a petition for judicial review is:
