License No. 7100)

Case No. 1567-01

~~SUSPENSION~~

LIFT OF ~~SUSPENSION~~, LIMITATION OF LICENSE

The Board issued a Final Order on October 4, 2007 in which the licensee was granted a suspended license. In order to lift the suspension Dr. Jenkins had to meet certain conditions:

1. He was to become a participant in the Dental Impaired Provider Program and be compliant with the Heart of America Professional Network (HAPN) program. He became compliant after that and based upon evidence he was safe to practice dentistry as of 2/20/2008.
2. He was to satisfactorily complete a clinical refresher course approved by the board. UMKC provided a letter on 2/14/08 that he had satisfactorily completed 4 procedures described by the board and approved as his refresher course.

The licensee has a **limitation** on his practice of dentistry. He may practice only at the GraceMed health clinic in Wichita, Kansas until authorized to practice otherwise by a subsequent written order of the Board. As part of his practice there, Dr. Jenkins shall arrange for GraceMed to provide the Board quarterly written evaluations of his performance until further order of the Board.

All other provisions of the Final Order dated October 4, 2007 remain in full force and effect.
