KENNETH A. HANSEN, D.D.S.)
Kansas License No. 6351)

STIPULATION AND FINAL AGENCY ORDER

IT IS HEREBY STIPULATED AND AGREED by and between the Kansas Dental Board (the "Board") and Kenneth A. Hansen, D.D.S. (the "Respondent") as follows:

1. The Board is represented herein by its attorney, Randall J. Forbes of Frieden & Forbes, 555 South Kansas Avenue, Suite 303, Topeka, Kansas 66603. The Respondent is represented herein by his attorney, _____

2. The Board is the Kansas agency vested with the authority, pursuant to K.S.A. 74-1404 and K.S.A. 74-1406, to carry out and enforce the provisions of the Kansas Dental Law, K.S.A. 65-1401 *et seq.*, including conducting hearings and proceedings to revoke, suspend or otherwise discipline a Kansas license to practice dentistry.

3. The Respondent is presently entitled to engage in the practice of dentistry in the State of Kansas by reason of the Board having issued him Kansas license number 6351. At all times relevant hereto, the Respondent has held a current license to engage in the practice of dentistry in the State of Kansas.

4. The Board has received certain information, has investigated and has determined that there are reasonable grounds to believe that the Respondent has committed an act or acts in violation of the Kansas Dental Act, K.S.A. 65-1401 *et seq.*

5. Respondent hereby admits and waives any further proof in this or any other proceeding before or initiated by the Board that:

A. On or about August 18, 2003, the Licensee saw Patient S.C. for an emergency and a tooth was removed. The Licensee subsequently took x-rays, which reveal that Patient S.C. had a chronic periodontal problem. Notwithstanding the x-rays, the Licensee did not treat the periodontal problem.

B. On or about September 4, 2003, the Licensee completed an examination and cleaning for Patient S.C. The patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination.

C. On or about September 9, 2003, the Licensee removed tooth #19 from Patient S.C. and began a 3-unit bridge. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination.

D. On or about September 30, 2003, the Licensee started an anterior bridge involving teeth #8 - #11 for Patient S.C. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination.

E. On or about May 25, 2004, the Licensee completed an examination and cleaning for Patient S.C. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination.

F. On or about June 16, 2004, the Licensee saw Patient S.C. for an emergency due to redness and swelling around the new anterior bridge. The patient record indicates that there were 9 millimeter pockets around teeth #8 and #9 and that the patient was given home care instructions about keeping the area clean. The patient record also indicates that the patient "may need perio surgery."

G. On multiple occasions, the Licensee failed to diagnose, treat or arrange for treatment of Patient S.C.'s periodontal disease, which failures constitute deviations from the applicable standard of care.

H. On multiple occasions, the Licensee failed to create and maintain adequate dental records for Patient S.C.

The Board finds and concludes that the aforesaid conduct is grounds for disciplinary action in the State of Kansas pursuant to K.S.A. 65-1436(b) and K.S.A. 65-1436(a)(3), as defined by K.S.A. 65-1436(c)(2), and K.S.A. 65-1436(a)(17).

6. The Board finds and the Respondent agrees that the following disposition is just and appropriate under the circumstances:

A. ADMINISTRATIVE FINE. Respondent hereby agrees and consents to the Board entering an order requiring him to pay to the Board, within ten (10) days of the effective date to the Final Agency Order contemplated hereby, an administrative fine in the amount of One Thousand Dollars (\$1,000.00).

B. CONTINUING DENTAL EDUCATION. Respondent hereby agrees and consents to the Board entering an order requiring him, within six (6) months of the effective date to the Final Agency Order contemplated hereby, to obtain twenty-four (24) hours of dental education on the topic of periodontics, and a total of eight (8) hours of dental education on the

topics of risk management and recordkeeping, all in addition to any continuing education necessary to renew his Kansas dental license.

C. OTHER REQUIREMENTS. Respondent acknowledges and agrees that as a condition of this Stipulation and Final Agency Order he must:

1. Comply fully with this Stipulation and Final Agency Order; and
2. Comply fully with the Kansas Dental Act, the Board's rules and regulations and all state and federal laws relating to Kansas dentists.

7. Respondent agrees that all information in the possession of the Board's Investigation Member, its staff, its investigators and its attorney regarding the investigation which led to this disciplinary action and all information discovered during the pendency of the disciplinary action may be disclosed to and considered by the Board as part of the presentation and consideration of the proposal of settlement in the form of this Stipulation and Final Agency Order and the Final Order provided for herein, with or without the presence of the Respondent or his attorney. In the event that this Stipulation and Final Agency Order and the Final Order provided for herein are not accepted and approved by the Board, the Respondent further waives any objection to the Board members' consideration of this Stipulation and Final Agency Order or the information mentioned in the preceding sentence and further agrees to waive any claim of due process violation or the right to seek the disqualification of any Board member as a result of the Board member's consideration of said document and information.

8. The stipulations contained herein shall not become binding until this Stipulation and Final Agency Action is approved by the Board and the Final Order provided for herein is entered by the Board. The Respondent acknowledges that the approval of the Board's attorney

shall not constitute the approval of the Board or bind the Board to approve this Stipulation and Final Agency Action or the Final Order provided for herein.

9. The Respondent agrees that this Stipulation and Final Agency Order is in conformance with Kansas and federal law and the Board has jurisdiction to enter into it and enter the Final Order provided for herein. The Respondent further agrees that the Kansas Dental Act, K.S.A. 65-1421 *et seq.*, is constitutional on its face and as applied in this case.

10. This stipulation constitutes the entire agreement of the parties and may only be modified by a subsequent writing signed by them. The agreement shall be interpreted in accordance with the laws of the State of Kansas.

11. The Respondent acknowledges that he has the following rights:

- A. To have formal notice of charges served upon him;
- B. To file a response to the charges;
- C. To have notice of and participate in a formal adjudicative hearing with the Board making specific findings of facts and conclusions of law based only upon evidence admitted at such hearing; and
- D. To take advantage of all applicable provisions of the Kansas Administrative Procedures Act and the Act for Judicial Review and Civil Enforcement of Agency Action.

The Respondent freely waives these rights and acknowledges that said waiver is made voluntarily and in consideration of the Board's limiting the disciplinary action taken against him to those provided for herein. The Respondent further waives the right to seek reconsideration or appeal or otherwise contest this Stipulation and Final Agency Order and the Final Order provided for herein.

12. The Respondent acknowledges that he enters into this Stipulation and Final Agency Order freely and voluntarily after consultation with counsel of his choosing. The Respondent further acknowledges that he has read this Stipulation and Final Agency order in its entirety, that he understands its legal consequences and that he agrees that none of its terms are unconscionable, arbitrary or capricious.

13. Time is of the essence to this Stipulation and Final Agency Order. Respondent acknowledges and agrees that any violation of this Stipulation and Final Agency Order shall constitute a willful violation of a lawful Board order and grounds for further disciplinary action against him. The pendency of any disciplinary action arising out of an alleged violation of this Stipulation and Final Agency Order shall not affect the obligation of Respondent to comply with all terms and conditions of this Stipulation and Final Agency Order.

14. This Stipulation and Final Agency Order constitutes the entire and final agreement of the parties. In the event any provision of this Stipulation and Final Agency Order is deemed invalid or unenforceable by a court of competent jurisdiction, it shall be severed and the remaining provisions of this Stipulation and Final Agency Order shall be given full force and effect.

15. Upon execution by all parties, this Stipulation and Final Agency Order shall be a public record in the custody of the Board.

16. This Stipulation and Final Agency Order shall become effective on the day it is approved, accepted and made an order of the Board by way of signature of the Board's authorized representative.

17. For purposes of reporting to the National Practitioner's Data Bank, this matter shall be categorized as follows:

A. Adverse Action Classification: "1173 Publicly Available Fine/Monetary Penalty."

B. Basis For Action: "13 Negligence."

18. The Respondent acknowledges that he has been advised by the Board that he would have the right within 15 days after service of the Final Order provided for herein to file a petition for reconsideration with the Board and the right within 30 days after service of the Final Order provided for herein to file a petition for judicial review in the District Court of Shawnee County, Kansas, in accordance with the Kansas Act for Judicial Review and Civil Enforcement of Agency Actions, K.S.A. 77-601 *et seq.*, and to serve such a petition for judicial review on the Kansas Dental Board by serving Betty Wright, its Executive Director, at 900 SW Jackson, Room 564-S, Topeka, KS 66612. The Respondent hereby waives those rights.

FINAL ORDER

Upon motion duly made, seconded and passed, the Kansas Dental Board (the "Board") approves and accepts the within Stipulation and Final Agency Order and incorporates the provisions thereof as the Final Order of the Board.

In addition, the Board enters the following orders: On or about August 18, 2003, the Licensee saw Patient S.C. for an emergency and a tooth was removed. The Licensee subsequently took x-rays, which revealed that Patient S.C. had a chronic periodontal problem. Notwithstanding the x-rays, the Licensee did not treat the periodontal problem. On or about September 4, 2003, the Licensee completed an examination and cleaning for Patient S.C. The patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination. On or about September 9, 2003, the Licensee removed tooth #19 from Patient S.C. and began a 3-unit bridge. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination. On or about September 30, 2003, the Licensee started an anterior bridge involving teeth #8 - #11 for Patient S.C. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a periodontal examination. On or about May 25, 2004, the Licensee completed an examination and cleaning for Patient S.C. Again, the patient record does not indicate the periodontal condition of the patient or contain any periodontal charting as a result of a

periodontal examination. On or about June 16, 2004, the Licensee saw Patient S.C. for an emergency due to redness and swelling around the new anterior bridge. The patient record indicates that there were 9 millimeter pockets around teeth #8 and #9 and that the patient was given home care instructions about keeping the area clean. The patient record also indicates that the patient "may need perio surgery." On multiple occasions, the Licensee failed to diagnose, treat or arrange for treatment of Patient S.C.'s periodontal disease, which failures constitute deviations from the applicable standard of care. On multiple occasions, the Licensee failed to create and maintain adequate dental records for Patient S.C.

The Board finds that said conduct justifies disciplinary action against the Respondent's Kansas dental license pursuant to K.S.A. 65-1436(b) and K.S.A. 65-1436(a)(3), as defined at K.S.A. 65-1436(c)(2), and K.S.A. 65-1436(a)(17).

The Board further finds and concludes that the following disposition is just and appropriate under the circumstances:

A. ADMINISTRATIVE FINE. Respondent is hereby ordered to pay to the Board, within ten (10) days of the effective date to this Final Agency Order, an administrative fine in the amount of One Thousand Dollars (\$1,000.00).

B. CONTINUING DENTAL EDUCATION. Respondent is hereby ordered to, within six (6) months of the effective date to the Final Agency Order contemplated hereby, obtain twenty-four (24) hours of dental education on the topic of periodontics, and a total of eight (8) hours of dental education on the topics of risk management and recordkeeping, all in addition to any continuing education necessary to renew his Kansas dental license.

C. OTHER REQUIREMENTS. Respondent is also ordered to:

1. Comply fully with this Stipulation and Final Agency Order; and

2. Comply fully with the Kansas Dental Act, the Board's rules and regulations and all state and federal laws relating to Kansas dentists.

IT IS SO ORDERED.
