The Board received an end-of-the-year update from WREB's Dental Exam Review Board (DERB). Roger Stevens, D.D.S., former Board member, attended DERB on behalf of the Board. The update included documentation regarding the Buffalo Model, a patient centered CIF. The Buffalo Model, which was piloted by the CDCA and implemented at the University of Buffalo, New York, serves as a modification of the traditional dental licensure exam format shifting the focus of the exam from the candidate to the patient. The resulting patient-centered exam has been piloted five times. After extended discussion regarding possible ramifications of the Buffalo Model pilot program, the Board took no action.

E. Central Regional Dental Testing Services (CRDTS) Update.

The Board welcomed Art Palmer, Attorney for CRDTS. In or around the spring of 2014, an employee of CRDTS improperly disposed of files containing sensitive and private personal information. While CRDTS has a policy for disposing of this type of information in a secure and confidential manner, the policy was not followed in this instance and the Kansas Attorney General initiated an investigation. Mr. Palmer advised the Board regarding the finalization of the investigation, including the filing of a satisfaction of judgment in the case, and the recordkeeping and destruction policies at CRDTS.

F. Public Forum.

The Board welcomed Tim Brewer, D.D.S. Dr. Brewer discussed the efficacy of mini-implants relative to various cost factors that patients consider when presented with a proposed treatment plan at his office.

G. President's Report: Dr. Hemberger.

1. Discussion of Board Member Appointment Process.

Attorney Randy Forbes provided a written legal opinion to the Board regarding whether a Board member who fulfills a partial, unexpired term must be considered as having served a full 4-year term for purposes of the Board's term limits under K.S.A. 74-1404(b). In particular, Scott Hamilton, D.D.S., was previously appointed for approximately 6 months to fulfill the partial, unexpired 4-year term of a previous Board member who resigned. Mr. Forbes advised that,

under K.S.A. 74-1404(b), Dr. Hamilton's first 6 months of service is counted as a full 4-year term. As a result, Dr. Hamilton is regrettably not eligible for reappointment to the Board. Dr. Hamilton is classified as having served two consecutive 4-year terms, thereby making him ineligible for reappointment. Mr. Forbes further advised that other Board members could be impacted in the future by the application of K.S.A. 74-1404(b).

2. Recognition of Scott Hamilton, D.D.S.

Glenn Hemberger, D.D.S., thanked Scott Hamilton, D.D.S., for his 5 years of hard work and dedicated service to the Board. The Board presented Dr. Hamilton with a plaque.

**H. Investigations Report: Dr. Hemberger / Lane Hemsley.
Inspections Report: Dr. Johnson.**

Glenn Hemberger, D.D.S., and Lane Hemsley presented the status of the Investigative Committee cases from January 6, 2016, to March 22, 2016. Steve Johnson, D.D.S., asked the Board to approve his new subcontractor, Jim Merker, D.D.S., who is assisting with sanitation inspections. The Board unanimously approved the use of Dr. Merker as a subcontractor for sanitation inspections.

I. Executive Report: Lane Hemsley.

1. **Budget.** An update was provided on the budget for FY 2016 (July 1, 2015 – June 30, 2016).

2. **Licensee and Specialty Licensee Report.** License and specialty license reports from January 1, 2016, to March 15, 2016, were presented to the Board.

Pursuant to K.S.A. 65-1424(b), Dr. Crooker intended to divest himself of his dental practice before or by June 3, 2016. Due to ongoing business negotiations, Dr. Crooker requested that the Board grant another 6 months, to and through December 3, 2016, to divest himself of his dental practice. After discussion, it was moved and seconded to approve Dr. Crooker's request under K.S.A. 65-1424(b). The motion passed.
